Sweet Victory

Bubbies

HONOLULU

Not your average ice cream shop, Bubbies specializes in an ingenious concoction that has been gaining popularity in the US: mochi ice cream. Oprah is a fan of the Japanese sweetened rice confection-wrapped ice cream balls, and Bubbies makes and distributes its gourmet products all over the country. 808-396-8722; www.bubbiesicecream.com

Sweet Lady Jane

LOS ANGELES

This West Hollywood bakery is somewhat of an LA anomaly. In the land where Pinkberry reigns supreme, where can one go when a craving for peanut butter chocolate chiffon hits? An extensive menu of cakes, pies and other treats is complemented by old-fashioned tearoom décor, complete with doilies and floral china. 323-653-7145; www.sweetladyjane.com

HotChocolate

CHICAGO

Chicago magazine named Mindy Segal "The Best Pastry Chef in Chicago," and it's easy to see why—her creations are simply stunning. If the words "warm fudge brownie with salted caramel ice cream and caramel corn" don't have you licking your lips, there's a regular—still inspired—non-dessert menu at this chic spot. 773-489-1747; www.hotchocolatechicago.com

Xocolatl Room

DALLAS

Zel Nealy, founder of Dallas Chocolates, opened this sleek and intimate ode to all things chocolate in Uptown, giving Texans a place to appreciate the dark, sweet stuff in its many forms. Wi-Fi is available both inside and out on the patio—what better way to get some work done than with such sweet rewards? 214-303-1249; www.xocolatlroom.com
